Three Choices Are Usually Always Possible in Any Situations A Critique of False Dichotomy

tonyodarg.wordpress.com/2019/12/15/three-choices-are-usually-always-possible-in-any-situations-a-critique-of-false-dichotomy

Tony Odarg December 15, 2019

THIS POST IS FOR THE PURPOSE OF ARCHIVING PAST WORK. First published at 02:49 UTC on September 2nd, 2018.

Description

When dichotomous situations are presented (when only two choices are possible), run away; someone's trying to con you. Not always, but most of the time; then look to the possible reasons why they would try to screw you and what options you truly do have.
